Curt Hazelbaker

President &
Chief Executive Officer

Dear Friends,

133 years ago, 24 charter members with an operating budget of \$4,000 started the Dallas YMCA. The new Y provided members and the community with a reading room, small gym, bathrooms, and a lecture room. The needs of the community were different in 1885 from what they are in 2018 but the beauty of the Y is in its ability to adapt to meet the changing needs. Whatever those needs are, the Y is ready to meet them.

2017 was an outstanding year meeting the needs of the communities we are fortunate to serve. Needs were met through a wide array of programs ranging from summer camp and youth basketball to Safety Around Water apartment swim lessons and our childhood obesity program, Get Up and Go. Families enjoy the Y as a place they can come and spend time together while seniors enjoy the fellowship and a hot cup of coffee after a workout. All of this work is underscored by our mission statement, "To put Christian values into practice through programs that build a healthy spirit, mind and body for all."

We are proud to share with you a snapshot into the life of your YMCA over the past year. You are an important part of what makes the Y great and we appreciate your participation and support.

This is Our Story.

Warmly,

Curt Hazelbaker
