Kimberly Shapiro is the VP of Talent Solutions with Sage Search Partners, Speaker, and Podcast co-host of Big Girl Pants Podcast. She has a Bachelors' Degree in Organizational Leadership and is a Certified Professional Career Coach.

Kimberly has dedicated her life to helping inspire women to achieve success and happiness. Happy people are more productive in all areas of their lives – including work! She truly believes that the battle starts from within. Her passion lies with coaching others to find comfort in being vulnerable and authentic.

Kimberly started her career as a young, non-degreed single mother. She knew that to change the trajectory of her life, she had to focus more on the decisions that needed to BE made, not the choices that had already BEEN made.

Her passion, purpose, and desire is to spread a little joy in this world. To help another person find happiness by realizing it's all about perspective, gratitude and the ability to fully understand that you and you alone have the power to change your circumstances if you choose to.
