

## CAPITAL CAMPAIGN UPDATE

### March 2025

### Bold Vision, Brighter Future for Waxahachie

Since 1985, the **Waxahachie Family YMCA** has stood as a vibrant cornerstone of community, offering a welcoming space for countless individuals across Ellis County to forge friendships, create joyful memories, and improve their health and well-being. Rapid population growth here in Waxahachie has outpaced our current Y programming capacity, highlighting the need for expansion.

Waxahachie Family YMCA has launched a **\$3,700,000 M capital campaign** to renovate and expand our current building, to best serve the needs of our community.

(Subject to Changes)

## Why is this important?

### ✓ Aging Facility in Need of Modernization

Upgrading our facility ensures we can continue to meet the evolving needs of our growing community.

✓ **Expanding to Serve More Families** – With an 11,000 sq. ft. expansion, we will be able to **quadruple** our program capacity, offering more **youth sports, summer camps, swim lessons**, and **after-school care** to support working families.

✓ **Ensuring Accessibility for All** – A new adaptive playground, enhanced dressing rooms, and expanded Miracle League Baseball field will ensure that individuals with disabilities have access to recreation, fitness, and social opportunities.

✓ **A Lifeline for Seniors** – The YMCA provides free Active Older Adult classes and social programs to help seniors stay active, engaged, and connected. Expanding our community spaces will allow us to serve even more senior adults in Waxahachie.

## Help us Make This Possible

Your generosity will help fund **essential renovations**, transforming our spaces into a more **welcoming** and **modern** environment where individuals and families can grow, connect, and thrive. Whether through a **one-time donation**, a **pledged gift**, or a **naming opportunity**, every contribution leaves a lasting impact.

Your support will help build inviting spaces that foster wellness, connection, and a sense of belonging, ensuring the YMCA remains a vital resource for generations to come.
