

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

The Y ensures all people have access to the essentials needed to become thriving members of the community. Daily, the Y bridges and fills individual and community needs as a catalyst for impactful change. The YMCA makes accessible the support and opportunities that empower people and communities to learn, grow and thrive, with three areas of impact: Youth Development, Healthy Living and Social Responsibility.

FOR SOCIAL RESPONSIBILITY

Dear YMCA Family and Friends,

With each year that passes, and as North Texas continues to grow and transform, the Y is even more emboldened to create the kind of spaces our changing communities are in search of.

Construction continues in South Dallas and our new Park South Family YMCA is still on pace to open in the first half of this year with a preschool wing for our young students, a new kitchen, indoor pool, and open spaces for our seniors and community. 2024 also brought the start to renovations at our Camp Grady Spruce. The cabins on the Ray Bean side of our camp have come down and are being replaced by 8 brand new cabins that will be available this summer. A new Dining Hall at Ray Bean and Welcome Center at the entrance of camp are also part of this renovation project, which will continue throughout 2025. Improvements to the Waxahachie Family YMCA and J.E.R. Chilton YMCA in Rockwall are also scheduled to begin this year to expand our buildings to better support these booming communities.

While this may sound like a to-do list to some, to us it rings of the dedication and commitment we have to the people of North Texas. Whether you've been part of this region for decades, born and raised, or just got here as soon as you could, we welcome you and are excited to showcase our YMCA to you and your family.

While new and upgraded buildings are always exciting, we are intentional in our focus on the existing programs we offer:

- Our 2nd **Annual Health Fair**, held at our Lake Highlands Family YMCA in August, welcomed over **500 families** to receive services related to mental health education, health screenings, food distribution, nutrition tips, physical activity demonstrations, and FUN for the kids.
- The Y is now partnering with **Workforce Solutions Greater Dallas** to launch a pilot program in our Moorland Family YMCA in Oak Cliff to provide on-site workforce training and development to support working adults to find higher-paying jobs.
- Over **7,550** individuals learned life-saving water skills in our **Safety Around Water** program.
- Over **500** guests attended our **Key Leaders Luncheon** to hear how affordable childcare, transportation, and workforce development should be our focus as North Texas continues to grow.
- Nearly **22,000** runners participated in our **57th Annual Dallas YMCA Turkey Trot**.

As we look ahead to the remainder of 2025, we thank you for your continued support of the YMCA of Metropolitan Dallas.

We are excited for another great year!

Best regards,

KEN MALCOLMSON
Board Chair
