Camp Grady Spruce Welcome Center

Equestrian White Barn

We have made significant progress at **Camp Grady Spruce** — and much of it is visible right now on-site.

The new **Camp Grady Spruce Welcome Center**, made possible by **Paul and Beth Taylor and Van Shaw**, is quickly taking shape. With framing complete, the next exciting step will be installing steel for the **Observation Deck**, a feature that will offer sweeping views of Possum Kingdom Lake. This building will soon become the central hub of camp operations, featuring:

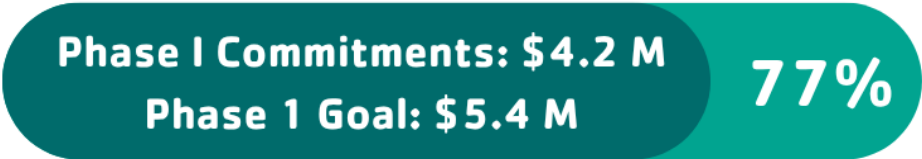

- A check-in and access point to enhance camper safety
- Administrative and staff offices
- Visitors Historical Lounge
- A conference room and restrooms
- An open lobby that celebrates Camp’s rich history

Note: Naming opportunities are available throughout the Welcome Center! (see below)

We’re also excited to share that **SRS Distributors** has generously committed to donating **roofing materials** for both the Welcome Center and the Main Dining Hall! Their commitment is helping make this vision a reality.

Just down the path, our **Equestrian White Barn** is also receiving major upgrades. **Four NEW horse stalls and a Wash Bay have been installed**, bringing us closer to a fully improved riding experience for campers. These enhancements mean more opportunities for learning, confidence-building, and connection with our horses. We're excited for what's to come!
