

CAPITAL CAMPAIGN AUGUST 2025

Laying the Foundation for the Future

We've reached an important milestone in our journey— **flood remediation at the Y is now complete**, with a final report to FEMA expected within the next 30 days. With this chapter behind us, our focus is shifting toward the future. In partnership with **Scott Sowers of SSARCO**, design work is underway for the next phase of improvements that will bring our vision for a revitalized Y to life.

Thanks to the generosity of our community, we've already **raised over \$3.4 million—about 40% of our overall campaign goal**. This strong

foundation allows us to move forward with confidence.

Looking ahead, we anticipate the park project to be **completed by the first quarter of 2026**, with building renovations scheduled to begin around the same time. Each of these steps brings us closer to creating a space where more families, children, and neighbors can thrive together.

Why Support Our Capital Campaign?

Since the Waxahachie Family YMCA opened its doors in 1985, our community has more than tripled in size, yet our facility has seen no major expansion beyond new flooring. Just as Waxahachie is known for preserving its historic character while embracing new opportunities, this campaign is our chance to honor the Y's legacy while preparing for the future.

Your support will do more than refresh a building—it will transform lives!

- The new park project will create **outdoor spaces** designed **for all abilities**, ensuring children and adults with disabilities can enjoy the Y right alongside their friends and families.
- Planned pickleball courts will provide new ways for neighbors to **gather, stay active, and build lasting connections**.
- Inside the facility, upcoming renovations will make our spaces more **welcoming, modern, and ready to serve** the next generation of Waxahachie families.

With your help, we can bring this long-overdue transformation to life and continue the mission that has touched thousands of local lives since 1985.

Thank you for helping shape the future of the Waxahachie YMCA. Together, we're building more than a facility—we're building community.
