## Member Spotlight: David McSpadden

[Hear from David](#)

This month's Member Spotlight features **David McSpadden!**

For more than 40 years, Dave McSpadden has been part of the Waxahachie Family YMCA's story. He first volunteered with a youth baseball program in the early 1980s, back when the Y didn't even have a building, just an open field behind the school district office. Later, he helped raise the funds that built the facility still in use today.

Now 82, Dave is still here nearly every day.

## Did You Know? 40 Years in the Making

Since opening its doors in 1985, the Waxahachie Family YMCA has served families for nearly four decades. Aside from the addition of the Gymnasium

and Group Exercise Studio in 1992 and some interior upkeep, the facility has seen few major renovations.

This capital campaign is a once-in-a-generation opportunity to expand our reach and create modern spaces that meet today's community needs.
