Wedge Interview

Thanks for your interest! To move forward, we use WedgeIt—a video interview platform designed to make the process easy and flexible for you. You'll need a quiet space, a device with a camera and microphone, and a stable internet connection. No apps or downloads are necessary; you can record your responses right from your browser.

You'll be asked a series of pre-set questions and have time to think before answering. You can complete the interview at your convenience before the deadline we provide. This helps us get to know you beyond your resume and gives you a chance to showcase your personality and communication style. Once submitted, our team will review your video and follow up with next steps.

Please click here to initiate the email invitation to start the interview process: <https://record.interview.video/ymca-dallas-volunteer>

You will need to enter your email and phone. Please make sure to use the same email that you registered in the volunteer portal.

Statement

I agree that **participate in my Wedge Interview**. I understand that I will not be able to participate in volunteer activities requiring this interview until I have completed the interview and been approved.
