CAPITAL CAMPAIGN
OCTOBER 2025

A Message From Our Executive Director
Jon McLaughlin

At the Waxahachie Family YMCA, we're not just renovating a building, we're investing in what this community can become together. The capital campaign is about more than new walls or equipment; it's about creating spaces that reflect the energy, growth, and heart of Waxahachie itself.

Because of the generosity of our members and neighbors, Phase 1 of construction is underway. We will start transforming the fitness areas to make room for new opportunities in health and wellness. But to bring the full vision to life, we still need your support.

Every donation, no matter the size, helps us build a YMCA that will serve generations to come. When we come together as a community, there's no limit to what we can create.
